

## **MPSBS**

**v1.0** 

### PSBS technical outputs relay module

Edition: 2 from 01.06.2016 Supersedes the edition: 1 from 16.06.2014 EN\*

### The module's features:

- Three control inputs of technical signals: EPS, PSU. LoB
- C-operation with power supply units of the PSBS 13,8V and PSBS 27,6V series
- LED optical indication
- Protection against reverse connection of power supply

**PSU** 

**PSBS** 

Warranty – 5 years from the production date

### Technical description.

The MPSBS relay module of technical outputs is designed to change the OC (open collector) outputs to relay outputs in buffer power supplies of the PSBS 13,8V and PSBS 27,6V series. The LEDs on the PCB indicate the status of the individual relays. Power supply input of the module is protected against reverse connection of power supply.

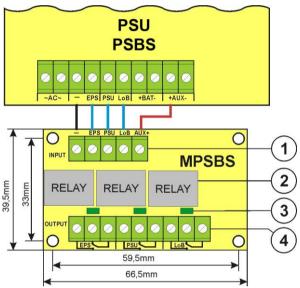

Fig.1. The scheme of the module.

# 

Table 2. Technical parameters.

Supply voltage	10V ÷ 30V DC
Current consumption	40 mA ÷ 65 mA @ U <sub>IN</sub> = 10V ÷ 30V DC
Technical outputs (relay type)	3 x 1A@ 30V DC/50V AC
Optical indication	Green LEDs - relay outputs status
Operating conditions	II environmental class, -10°C ÷40°C
Dimensions	66,5 x 39,5 x 18 (WxHxD) [mm] (+/- 2)
Mounting	Mounting strip with adhesive tape
Connectors	Ф0,41÷1,63 (AWG 26-14)
Net/gross weight	0,04kg / 0,06kg

# Table 1. The description of components and module connectors.

Compon ent No. [Fig.1]	Description
1	Terminals: EPS, PSU, LoB – control inputs of technical signals AUX – DC supply input
2	Relays
3	LEDs – indication of relay activation
4	EPS, PSU, LoB – technical outputs, relay outputs. Module does not feature a battery detection function. In the case of no battery or non battery connected, the output is in the normal mode.

### **WEEE LABEL**

Waste electrical and electronic equipment must not be disposed of with normal household waste. According to the European Union WEEE Directive, waste electrical and electronic equipment should be disposed of separately from normal household waste.

#### WARRANTY

Pulsar (manufacturer) grants a five-year quality warranty for the equipment, starting from the production date.
